RATE BASIS AND TRAINING LIMITS

Charge headings and example rate values are adapted from the supplied July 2026 CESC bill (pages 1-2). For this synthetic series, INR 5.69 is applied to every unit above 25; the sample does not establish that as a full tariff schedule. All rates are frozen across the 12 months; both rebates are fixed at INR 1.75. These are classroom assumptions, not verified historical tariffs or tax rules.
